Profile

I am a computer science student currently pursuing a master's degree. My strengths lie in web development, but I am always interested in learning different technologies and environments as a quick learner. I look forward to new opportunities and challenges in the future and am excited to continue to learn and grow as a developer in the field.

Work Experience

June 2024 – Aug. 2024
Posti Jakelu Oy

Postal Worker

I delivered mail and packages daily with a van. The work included independent sorting and customer service during deliveries.

May 2023 – Apr. 2024
Valmet Technologies Oy

Trainee

I worked as part of a global team in Service business line responsible for roll covers and maintenance. I was responsible for programming and maintaining a global pricing application and updating pricing models for products. Additionally, my duties included for example gathering and analysing data for the pricing models.

May 2022 – Aug. 2022
Walki Oy

Paper Machine Assistant

I worked as an assistant on a paper machine, responsible for attaching and removing paper rolls, adding chemical solutions, and performing general maintenance and upkeep of the machine.

June 2021 – Aug. 2021
Walki Oy

Chemical Solution Mixer

I prepared and mixed chemical solutions for the paper machine, as well as disposed of expired chemical solutions.

Technical Skills

Languages
